

5800MINIV

Wireless Door/Window Contact

The Honeywell Home 5800MINIV provides all of the advantages of the field-proven, quick-install 5800 Series wireless devices, with the addition of signal transmission and check. It blends in with any decor, making it ideal for applications with aesthetic needs such as ornate doors, casements, and double-hung windows.

The 5800MINIV provides a check and installs easily on doors or windows with the included double-sided adhesive tape.
